I understand that if I encounter hardware or software failures or other technical difficulties while taking the bar examination, no additional time will be given. If the technical difficulties cannot be resolved or are not resolved, I will continue the essay examination by handwriting. I understand that, in such cases, the Board of Law Examiners will use reasonable efforts to recover what had been saved on the laptop, but will not give credit or make accommodations for any portion of the answer(s) that cannot be recovered regardless of the reason for the technical difficulty. I accept all risk of loss of my examination answers saved on the computer.

I accept the conditions the Supreme Court of South Carolina has specified for use of laptop computers. I will hold harmless the Board of Law Examiners, the Supreme Court of South Carolina, and ExamSoft Worldwide, Inc., and each of their employees, agents, and contract assistants (including the proctors and all technical assistants) for any and all computer and software malfunctions or other technical difficulties, regardless of the reason, relating to my use or attempted use of a laptop computer in connection with the South Carolina Bar Examination and will indemnify these entities against any and

all costs, damages, and fees resulting from any claim filed by me against third parties.
